In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses

of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. One hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

And whereas it is necessary and expedient to raise the sum of twelve thousand dollars (\$12,000) for the purposes aforesaid, and in order thereto it will be necessary to issue debentures of the Corporation of the District of North Vancouver for the sum of twelve thousand dollars (\$12,000), payable as herein provided:

And whereas it will be requisite to raise annually by special rate the sum of fourteen hundred dollars (\$1,400) for the term of fifteen years for paying the said debt and interest as hereinafter mentioned:

And whereas the amount of the whole ratable property of the Corporation of the District of North Vancouver, according to the last revised assessment roll, amounts to eight hundred and eighty-four thousand, two hundred and sixteen dollars (\$884,216):

1. It shall be lawful for the Reeve of the said Corporation and the Clerk of the Municipal Council of the said Corporation, for the purposes aforesaid, to borrow or raise, by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of twelve thousand dollars (\$12,000), and cause the same to be placed in the Bank of British North America, in the City of Vancouver, to the credit of the said Corporation for the purposes and with the objects above recited, and to issue any number of debentures of the said Corporation to the amount of twelve thousand dollars (\$12,000), in sums as may be required, of not less than

one hundred dollars (\$100) each. The said debentures to be sealed with the Corporate seal and to be signed by the Reeve and Clerk.

2. The said debentures as to principal and interest shall be payable at the Bank of British North America, in the City of Vancouver aforesaid, and as to principal the debentures shall be made payable at the end of forty (40) years at furthest from the day hereinafter mentioned for this by-law to take effect, and shall have attached to them coupons for the payment of interest.

3. The said debentures shall bear interest at a rate not exceeding five per cent. (5 per cent.) per annum, payable half-yearly on the first day of June and the first day of December respectively, in each and every year during the currency of said debentures, or any of them.

4. There shall be raised and levied annually by a special rate on all the ratable property in the said Corporation the sum of eight hundred dollars (\$800) for the purpose of forming a sinking fund for the payment of the said debenture debt, and the sum of six hundred dollars (\$600) for the payment of the interest at the rate aforesaid, to become due thereon during the currency of said debentures, being an equal annual special rate of one and three-quarters ($1\frac{3}{4}$) mills in the dollar; this, in addition to all other rates to be raised, levied and collected in said Municipality during the currency of said debentures or any of them.

5. It shall be lawful for the said Municipal Council, from time to time, to re-purchase any of the said debentures upon such terms as may be agreed upon with the legal holder or holders thereof, or of any part thereof, either at the time of sale or any subsequent time or times, and all debentures so purchased shall be forthwith cancelled and destroyed, and no re-issue of debentures shall be made in consequence of such re-purchase.

6. This by-law shall take effect on and after the first day of November, 1899.
